Families Living With District Residents (Not deemed to be Homeless)

Families residing with a District resident must have the two following documents completed and notarized before enrollment can be obtained:

1. Form declaring family is residing in the home of District resident
2. Form completed by District resident with whom family is living

In addition to the above items, the resident must supply residence verification in their name as shown below:

1. Deed or current lease
2. Current utility bill (gas, electricity or water only) and
3. Current Texas driver license/Texas ID with correct address

AND

Within 30 days of the temporary enrollment the parent declaring residence must provide proof of residency, such as a utility bill or important mail received at the address and a current Texas driver license or Texas ID with the address.

Any questions should be directed to the Executive Director of Middle Schools.
